GOVERNMENT OF INDIA - NITI AAYOG
OPERATIONAL GUIDELINES: ATAL INNOVATION MISSION - SEED & INCUBATION SUPPORT (AIM) / ATAL INNOVATION

1. Overview & Objective:
Catalyzes world-class startups through Atal Incubation Centres (AICs) with prototyping labs, maker spaces, and access to seed grants.

2. Eligibility Criteria:
1. Innovators and early-stage ventures working on technology, circular economy, rural development, or high-impact social solutions.
2. Must apply to and be shortlisted by an Atal Incubation Centre (AIC) or Established Incubation Centre (EIC).
3. Clear intent to incorporate a commercial enterprise in India.

3. Financial Assistance and Subsidy:
1. Incubation access, state-of-the-art laboratory infrastructure, corporate POCs, and micro seed grants ranging from Rs. 5 Lakh to Rs. 25 Lakh.
3. Maximum financial assistance cap is Rs 25.0 Lakh per unit.

4. Mandatory Documents Checklist:
1. Business Pitch Deck
2. Prototype demonstrations or design schematics
3. Founding team credentials
4. GST / ROC registration if incorporated

5. Application Procedure:
1. Mode: Online via Atal Innovation Mission Portal or respective AIC websites
2. Official Portal: https://aim.gov.in/
